Approached out of the blue by the wizard Gandalf, The Hobbit Bilbo Baggins, is swept into an epic quest to reclaim the lost Dwarf Kingdom of Erebor, which was long ago conquered by the dragon Smaug. Bilbo finds himself joining a company of thirteen dwarves led by the legendary warrior Thorin Oakenshield. Their journey takes them into the Wild; through treacherous lands swarming with deadly Wargs, Goblins, Orcs, Giant Spiders, Shapeshifters and Sorcerers.

Although their goal lies to the East and the wastelands of the Lonely Mountain, first they must escape the goblin tunnels where Bilbo meets the creature that will change his life forever ... Gollum.

Here, alone with Gollum, on the shores of an underground lake, the unassuming Bilbo Baggins not only discovers depths of guile and courage that surprise even him, he also gains possession of Gollum's "precious" ring that holds unexpected and useful qualities ...

A simple, gold ring tied to the fate of all Middle-earth in ways Bilbo cannot begin to know.
